the cadre of I.A.S. (vide Ministry of Home Affairs letter No: 21/5/50-AIS(I)/26/50) In this office letter dated 7/6/50 the G.O.I was requested that the allotment of the above candidate might be held over in view of certain recommendations made to them via the Screening of the D.C.S officers. The G.O.I in their letter of 24/1/1951 stated, among other things, that this D.S. vacancy was first allotted to the Madras I.A.S cadre and that it had been decided not to allot any candidate to this state from the list of candidates successful in the examination held in Sept 1949; and that the question of allotment of candidates in the combined competitive Exam held in Sept 1950 will be considered after the allotments to the cadre under I.A.S (Extension to states) Scheme have finalised.

5) It is submitted that the present position is that, although the cadre strength for this state has been tentatively fixed, steps have yet to be taken towards the initial constitution of the cadre and

till the position of Officers who may be surplus to the cadre strength is clear, it would be difficult to proceed further. The S.R.B has just taken up the matter of Screening and selection of State Civil Officers and it may take some time before the position of officers who may be surplus to the cadre strength can be rightly assessed. The U.O.I themselves ~~have~~ have, as stated above, promised to consider the question of allotment of successful candidates in the combined competitive Examn. held in Sept. 1950 to the states after the appointments to the cadre under D.A.S (Extension to States) Scheme are finalised.

6) In the circumstance it may not be opportune to accept the proposed quota of allotment to this State of successful candidates (1 for I.A.S and 1 for I.P.S) in the Examn held in Sept. 1950. However the Ministry of Home Affairs seeks confirmation in this matter. For orders.

10/3/51 (3) This seems to be inconsistent with the Ministry of Home Affairs letter dt. 24.1.51, and it is not easy to follow how the nature and extent of the gap in the prescribed cadre strength can be immaterial or how direct recruits can be entertained unless there is a gap. As a matter of fact the Govt. of India have themselves stated in one of their previous letters that should the junior officers selected for the I.A.S. be in excess of the cadre strength, the excess strength would be adjusted by short recruitment. It would therefore appear to be difficult to enter into any commitment in regard to the allotment of Candidates on the basis of the results of the examination to be held in 1951 until the appointments to the cadre under the I. CONFIDENTIAL/IMMEDIATE.

From: The Chief Secretary to the Government of Mysore, Bangalore.

Subject:- Recruitment to the Indian Administrative Service (Extension to States) Scheme - Selection of State officers.

Reference:- Correspondence resting with [redacted] letter No.F.23(67)-S/49, dated 12th May 1950.

Sir,

With this office letter No.1181/C.B. dated the 25th April 1950, a copy of the Proceedings of an Extraordinary General Meeting of the Mysore Civil Services Association held on the 9th April 1950, and certain other papers containing representations of the officers of the Mysore Civil Service have already been forwarded.

Some of the officers of the Mysore Civil Service have expressed great anxiety over their future prospects and in order to allay their apprehensions and with a view to redressing their legitimate grievances the Government of Mysore have taken some time to consider their representations.

There are two important points which are urged by the Mysore Civil Services Association. Firstly, they rightly contend that the future promotions and prospects of officers in the lower grades who may not be selected to the I.A.S. are likely to be prejudicially affected as a result of the integration of the Mysore Civil Service with the Indian Administrative Service. The number of senior duty posts left for inclusion in the non-I.A.S. cadre which are the only posts to which they can look forward to is comparatively small and the promotions to senior posts to which they could have looked forward in the normal course are now shut out to them because of the I.A.S. scheme. They have proposed that, as a measure of compensation, they may be provided with higher grades of pay in the junior posts in the Mysore Civil Service which they are now holding, and/or pensionary benefits with option to retire immediately in case they are not selected for the I.A.S. Apart from the question of extra cost that these proposals involve - and this by itself may not be inconsiderable - it is but fair that officers who have ac-

quired permanent rights under the Mysore Civil Service with scales of pay and conditions of service more or less guaranteed should not find their position suddenly jeopardised. It is an essential feature of the I.A.S. scheme, as extended to the States, that the legitimate claims of existing incumbents should be adequately safeguarded. As the grievance of the Mysore Civil Service officers who may not be selected to the I.A.S. cadre in regard to their prospects is a real one, the Government of Mysore feel that this should be suitably redressed.

Secondly, the officers who have been selected to the Mysore Civil Service have been so selected either as a result of a competitive examination equivalent to any examination for similar services or on other grounds of equity with due regard to qualifications, experience etc. It is naturally felt that it is humiliating for these officers to have to appear, for a second time, before a Selection Board irrespective of their qualifications, training, experience, long service etc. The Government of Mysore fully sympathise with this aspect of the problem and feel that their officers need all the consideration that it is possible to give them in this respect. Prima facie it seems to them that the process of screening and selection at this stage is entirely unnecessary and may be unwarranted in the case of a set of officers whose traditions are so well built up over decades and whose capacity for filling up higher administrative posts need not be doubted.

The Government of Mysore have carefully reconsidered the matter in the light of the representations made by the Mysore Civil Services Association and by individual officers and are of the view that, as the officers of the Mysore Civil Service have been recruited after a very careful selection and have undergone various items of training in the administration and have qualified themselves by passing the prescribed Local Service Examinations, all the 36 senior officers and 85 junior officers of the Mysore Civil Service as per lists sent herewith, may be exempted from appearing before the Special Recruitment Board for further screening and selection, and admitted to the I.A.S. cadre without an interview. The Government of Mysore urge that this view may kindly be accepted and the proposed

visit of the Special Recruitment Board to the State for the purpose of electing officers for the I.A.S. cadre may be cancelled. The Government of India have already agreed that there is no objection to the total number of persons selected from amongst the State officers exceeding if necessary the total cadre strength fixed for the State, the excess, if any, being adjusted in later years by short recruitment. It is therefore requested that all the existing officers of the Mysore Civil Service may be taken to the I.A.S. cadre of the Mysore State by way of initial recruitment.

In view of the above, the allotment of candidates selected by competitive examination by the Government of India to this State may be held over till the junior officers now to be included in the I.A.S. cadre are promoted as senior officers or at any rate, for a period of five years when the position can be reviewed again.

After the above decisions were taken and were about to be communicated to the Government of India, Statesind telegram No.594/S, dated 2nd June 1950 was received and has already been replied to and a copy enclosed.

The views of the Government of India may kindly be communicated at a very early date.

Yours faithfully,

Sd. K. Srinivasan.

SIR,

Subject:- Indian Administrative Service -
Allotment to the States of the Candidates selected for appointment on the results of the Combined Competitive Examination held in 1949.

Reference:- Ministry of Home Affairs letter No.21/5/50-AIS, dated 26th May 1950.

I am directed to invite reference to this Government's letter No.3841/C.B., dated the 4th June 1950, and to telegram dated the 5th May 1950 and to state, that in the circumstances, the proposed allotment of the candidate selected by Competitive examination to this State may be held over, pending the outcome of the recommendations made by this Government in their letter dated the 4th June 1950 referred to above. The present position is that, although the cadre strength for the State has been tentatively fixed, steps have yet to be taken towards the initial constitution of the cadre, and till the position regarding Officers who may be surplus to the cadre strength is clear, it would be difficult to proceed further.

Meanwhile, I am to request clarification on the following points:-

(1) What exactly is the commitment - financial and otherwise - involved in the acceptance of the proposed allotment;

(2) Does the proposed allotment mean that the candidate will be posted for training and/or employment in the State;

(3) How soon after allotment will a candidate be posted to the State to which he is alloted;

(4) Is it intended that the candidate should undergo training in the State;

(5) Have the syllabus, period of training etc., been settled;

P.T.O.

(6) What is the salary to be paid to the officer while he is undergoing training in the State?

(7) Who is to bear the expenditure incurred on his salary, T.A., etc., immediately before and from the time he joins duty under this Government;

(8) How and when is he proposed to be absorbed in the permanent Indian Administrative Cadre of the State?

It is requested that the fullest possible information bearing on the proposal may kindly be furnished.

With reference to your express telegram No.3/IAIA. dated the 2nd March 1951, I am directed to invite reference to para 3 of Ministry of Home Affairs letter No.21/5/50-AIS. dated the 24th January 1951 (extract enclosed) and to state that it has been made clear that the question of allotment of successful candidates in the Combined Competitive Examination held in September 1950 will be considered only after the appointments to the cadre under the Indian Administrative Service (Extension to States Scheme) are finalised.

I am to add that the Special Recruitment Board have started interviewing the Mysore Civil Service Officers only from 7th March 1951 and that it may take some time before the appointments to the cadre under the Indian Administrative Service (Extension to States) Scheme are finanlised and the position of Officers who may be surplus to the cadre strength can be assessed. It is, therefore, not clear as to why confirmation regarding the allotment to the States Cadre of candidates successful in the Combined Competitive Examination held in September 1950 is sought at this juncture.

From

R. C. Dutt, Esquire, I.C.S.,
Deputy Secretary to the Government of India,

To

The Chief Secretary to the Government of Mysore.

Sir,

NEW DELHI-2, the 19th March, 1951.

With reference to your letter No. 17880/C.S. dated the 10th March 1951, I am directed to point out that candidates from Mysore were allowed to compete for the Indian Administrative Service in the Combined Competitive Examination held in 1950 on the ground that the Mysore Government had agreed to participate in the scheme of All-India Services. In fact two such candidates have obtained sufficiently high ranks to be considered for appointments to the I.A.S. I am also to point out that all the other Part B States including those where selections of the local officers have not yet been completed by the Special Recruitment Board, have already agreed to recruit officers to their I.C.A. Cadre on the basis of the annual competitive examinations.

2. The decision to constitute an I.C.A. cadre in the State having been reached, the State Government must begin sometime to recruit officers on the results of the competitive examinations. For this purpose the nature or the extent of the gap which may exist in the cadre is immaterial, for even if there is no gap the prescribed number which is based on acturial calculations has to be recruited annually. Nevertheless, if Government of Mysore desire that there should be no recruitment on the results of the last examination, Government of India are prepared to accept this view on the definite understanding that the annual recruitment will commence from next year i.e. on the basis of the results of the examination to be held in 1951.

Yours faithfully,

R Dutt 19.3.51

Dear Sir,

SUBJECT: Indian Administrative Service - Allotment to States of candidates successful in the combined Competitive Examination.

In continuation of my D.O. letter No.18163/C.B. dated 27th March 1951, I am directed to forward herewith for favour of submission to His Highness the Maharaja a copy of letter No.3/1/51-AIS dated the 19th March 1951 from the Deputy Secretary to the Government of India, Ministry of Home Affairs, New Delhi.

To

The Secretary to the Government of India,
Ministry of States,
New Delhi.

Subject: Indian Administrative Service - Training of probationers earmarked for allotment to States Cadres — Allocation of the Cost of training.

Reference: Correspondence ending with the Ministry of States' letter No.F.23 (4)-S/49/IV dated the 14th Aug.50.

Sir,

I am directed to invite your attention to the marginally noted* communications from the Ministry of States.

* 1) No.F.23(4)-S/49/IV dated 3/5/1950;
2) No.F.23(4)-S/49/IV dated 26/5/1950.

This Government's letter No.3205/C.B. dated 19/5/1950 was intended to clear the confusion ~~caused by~~ Caused by the communications referred to in the margin, and would not have been ~~made~~ Written if the implications of the Ministry of Home Affairs letter No.12/5/49-AIS dated 20th April 1950 ~~as amended~~ as applied to Part 'B' States were clear. The Ministry of States letter dt

H.S. 50 referred to above does not make the matters any the clearer.

Sub-Clause (iii) of paragraph 1, of ~~this~~ the Ministry of Home Affairs letter No.12/5/49 dt 20.4.50 ~~letter~~ refers to certain arrangements for sharing or re-imbursing the cost of the training of probationers of the Indian Administrative Service allotted to "States" and paragraph 2 of the same letter expresses the hope that the State Government will agree with the conclusions reached in the previous paragraph. It is not clear at all ~~to this Government~~ whether the arrangements referred to above apply to Part 'B' States, and if so, in what

manner, and how the cost of training is to be met.

As the Government of India are aware, no I.A.S. probationers have been allotted to this State and a proposal made by the Government of India for such an allotment has already been replied to in this Government's letter No.3996/C.B. dated 7th June 1950. In the context of this position, it is not understood how ~~or are~~ the questions of training or the sharing the cost of training ~~xx~~ would arise in so far as this State is concerned.

T (linked file)

It may therefore be confirmed that as no candidates have been allotted to the Mysore State for purposes of training, there is no question of the allocations of the cost of training, and that there is no intention of ~~posting~~ posting any ~~in~~ emergency recruits or regular recruits allotted either to Part 'A' or other 'B' States to Mysore State for purposes of training.

An early reply is requested.

Yours faithfully,

Chief Secretary to Government.
